Sherry,

Please include this report in the next board packet:

CCSD Insurance policy

Paul and I had a zoom meeting this morning with Paul Harrison and Lynda McLain regarding the coverage of our existing policy (Fire Plus). We were told the policy covers the firefighters, CCSD board members, and Cazadero Community Club board members. It does not cover other CCSD employees, Cazadero Community Club activities, or the park. It is recommended that CCSD make sure all employees are covered by our worker's comp policy (eg. Sherry, Nancy, AI), that Cazadero Community Club maintain their existing non-profit policy which covers CCC activities, and that CCSD maintain our separate park policy (CAPRI).

Parmeter Park Maintenance Summary Sept 2022 - Jan 2023

The park is in overall good condition although there is ongoing renovation in the upper children's playground area. The playgrounds old equipment had been removed and we are still awaiting the installation of the new play equipment along with the completion of the landscaping and fencing reinstall at locations of your choice.

I have installed yellow caution tape across and around the areas under renovation. I have been regularly checking and changing out the yellow caution tape due to wind tearing and occasional tear downs from unknown causes.

The access metal gate, concrete stairwell to the children's playground between Cazadero Highway and the children's playground, has been padlocked (closed with signage) for safety since the renovation has begun. The metal gate on Austin Creek Rd next to the community club shed has been padlocked for safety to prevent anyone from walking down those concrete steps to the renovation in progress.

The parks restrooms have been cleaned a minimum of 4 times weekly (Mon, Wed, Fri and Sat). I have been power blowing and sweeping the park, courts, adjacent paths, parking areas and lower Austin Creek Rd. 3-4 times per week. Line trimming of weeds will begin shortly. Picnic tables will be pressure washed and sealed when weather warms up.

As reported previously, the basketball and tennis courts will need resurfacing, by a contractor of your choice, at some point soon. The tennis court has small cracks (approx. 1/16" to ¼" wide) that are gradually becoming larger. In 2021 and 2022 I filled the cracks with concrete crack seal, which lasts for about 6 months, but they continue to reopen up. The basketball court doesn't have any significant cracking but the court surface is peeling, deteriorating and getting worse especially after the last big wind and rainstorms in Jan 2023.

How to Comply with Shifting Brown Act Remote Meeting Laws and Help CSDA with **Extending AB 361 Emergency Remote Meeting Statute**

By Vanessa Gonzales posted 4 days ago

LIKE

Do you need a sample policy for AB 2449 teleconferencing? Would your district use AB 361 remote meetings if confronted with an emergency other than COVID-19? Did you know that the COVID-19 state-of-emergency expires February 28?

- The provisions enacted into law as part of <u>Assembly Bill 361 (R. Rivas, 2021)</u> currently remain in place until 2024.
- However, the state-of-emergency related to COVID-19 in the state of California terminates on February 28, 2023.
- The end of the state-of-emergency means local agencies cannot use AB 361's provisions after that date for COVID-19 reasons.

Did you know that the COVID-19 state-of-emergency expires February 28?

On October 17, 2022, Governor Gavin Newsom announced that the state-of-emergency proclamation related to COVID-19 would terminate at the end of February 2023.

The impending repeal of the Governor's COVID-19 proclamation means that local agencies conducting remote meetings using AB 361 based on the COVID-19 State of Emergency must transition to either:

1. In-person meetings,

- 2. "Typical" teleconferenced meetings (as they existed pre-COVID, replete with all the corresponding open meeting requirements including those related to agenda postings, remote meeting site identification, and others), or
- 3. "AB 2449-style" teleconferenced meetings (i.e., teleconferenced meetings using the framework provided as a result of the passage of <u>Assembly Bill 2449 [Rubio, 2022]</u>).

Would your district use AB 361 remote meetings if confronted with an emergency other than COVID-19?

While the ability to use AB 361 emergency remote meetings for COVID-19-related reasons will expire February 28, the provisions of law codified as a result of the bill's passage will remain in place until 2024 at which point they will be repealed by their own provisions. This means that, should a new state of emergency proclamation be issued by the Governor in connection with a disaster that makes it impossible to meet in-person safely, local agencies would again be able to turn to AB 361's provisions to continue meeting remotely during the course of the emergency (at least, until the end of 2023). CSDA wants to work with the Legislature to remove this statute's sunset date and retain AB 361 emergency remote meeting authorization for future disasters in 2024 and beyond, but we need your help.

CSDA is interested in hearing whether AB 361 emergency remote meeting flexibility would have been useful in disasters that preceded COVID-19 as well as those that may arise in the future (e.g., during select wildfires, earthquakes, floods, or other large-scale disasters that may or may not have involved mandatory evacuation orders). Your quick response to this simple question is critical to efforts to secure continued legal access to remote meetings during future emergencies.

Please visit this page to provide CSDA with your feedback on two short questions.

Do you need a sample policy for AB 2449 teleconferencing?

Effective January 1, 2023, <u>Assembly Bill 2449 (Rubio)</u> established a new avenue for a minority of a local agency's board to meet remotely without noticing or providing public access to their remote meeting location under modified Brown Act requirements provided that the agency abides by the strict substantive and procedural requirements within the legislation. Local agencies may avail themselves of the alternative agenda posting and teleconference requirements, potentially making it easier for local agency board members to participate in a meeting remotely under certain circumstances that would've otherwise precluded that participation.

CSDA has previously written about AB 2449 in an earlier article, "What to Know About Brown Act Legislation Reaching the Finish Line."

Now, CSDA business affiliate Atkinson, Andelson, Loya, Ruud & Romo has release an AB 2449 Board Member Teleconferencing Policy free to CSDA members.

By working proactively and establishing board policies for board member teleconferencing, your district may avoid some of the pitfalls of these shifting laws.

CSDA members interested in more discussion on this topic may be interested in watching the free on-demand recording of the recent webinar: "Brown Act: Come for the Basics, Stay for the Updates."

CARPD Conference 2023 - May 17 - 20, 2023, Tenaya Lodge @ Yosemite

On behalf of the Board of Directors of CARPD, we would like to invite you to join us at our Annual CARPD Conference at Tenaya Lodge @ Yosemite on May 17 – 20, 2023. We know you and your teams are constantly working to improve the quality of services in your community, so in recognition of those efforts (and our Conference location) we selected "Reaching New Heights" as this year's theme. We have some exciting things in store for our event and we are planning on activities that will embrace the very *nature* of our member organizations and help you and your Staff take your District to the next level!

To register for the 2023 CARPD Conference, please visit our website at <u>caparkdistricts.org</u> or fill out the enclosed registration form. Early Bird registration closes on *March 17, 2023*, so make sure you register today!

We also want to remind our members that CARPD encourages attendance from all of our members and, to facilitate that participation, we offer a **Conference Scholarship Program.** A Conference Scholarship includes complimentary registration and accommodations for the event and each year we select as many winners as we are able. To be considered, please apply by *March 17, 2023*.

Finally, CARPD is committed to honoring excellence in the field by again recognizing the winners of our esteemed **Awards of Distinction**. CARPD will be continuing its tradition by acknowledging Districts, Board Members, Staff Members, and community members who -- by parks and rec standards -- have really "knocked it out of the park!" The deadline to submit Awards Nominations is **April 7, 2023**, so please review the enclosed materials and submit your nominations today.

If you have any questions regarding the Conference, please feel free to contact our team at (916) 722-5550. See you in Yosemite!
